Pediatrics

## Child Abuse Pediatrics Positions - Tampa, Florida

The **University of South Florida Health Department of Pediatrics** invites applications from **Child Abuse Pediatrics fellows** and **experienced physicians** seeking a leadership-focused academic role with regional impact.

We are hiring 2 full-time faculty members, which offer the opportunity to shape a comprehensive **Child Well-Being Center of Excellence** at **Muma Children's Hospital at Tampa General Hospital** —West Central Florida's only ACS-verified Pediatric Level I Trauma Center.

### Leadership & Clinical Scope

- Regional Medical Director(s) for Child Protection across several counties. One or both positions.
- Strategic leadership of multidisciplinary team and program development. Participation in local and state meetings and peer reviews.
- Supervision and participation in inpatient consultative and outpatient clinical care with system-level influence
- Clinical supervision of experienced APRN team. Limited in-person call.
- Close collaboration with hospital leadership, DCF, law enforcement, and community partners

### Academic Mission

- Teaching and mentorship of residents and medical students. Community training opportunities.
- Leadership role in developing a future Child Abuse Pediatrics Fellowship Program
- Engagement in research, advocacy, and statewide program development

### Candidate Profile

- Board certified/eligible in Pediatrics, Family Medicine, or Emergency Medicine
- Demonstrated experience in Child Abuse Pediatrics
- Fellowship training in Child Abuse Pediatrics preferred

### Why USF Health & Tampa?

- Practice within a nationally recognized academic health system
- Meaningful leadership role with regional and statewide impact
- Tampa offers a vibrant coastal lifestyle with no state income tax

### Benefits & Next Steps

Competitive compensation. Opportunity for sign on bonus. Limited billing. Sovereign Immunity. USF recognized as one of America's top large employer.
