

Child Abuse/Neglect Pediatrician – Buffalo, NY

The Department of Pediatrics at Oishei Children's Hospital, part of Kaleida Health, has an opening for a Child Abuse Pediatrician. This position is full time and employed with a strong team plus an opportunity for an Academic Position with the University at Buffalo. The physician would provide medical evaluations of suspected child abuse victims at the Child Advocacy Center. The physician would be part of a multidisciplinary team collaboration with the child abuse team at the CAC, the pediatric trauma team, and community agencies working to manage and prevent child abuse and neglect.
