

Child Abuse/Neglect Pediatrician – Buffalo, NY

The Department of Pediatrics at Golisano Children's Hospital of Buffalo is pleased to announce our new name, formerly Oishei Children's Hospital, and we are excited to be growing our CAP team!

We are currently seeking to fill a full-time position in Child Abuse Pediatrics at Golisano Children's Hospital in Buffalo, NY. The successful physician will be part of a multidisciplinary team focused on advocacy and neglect.

As a well-trained physician, with in depth knowledge, you can expect to work with protective services caseworkers, forensic interviewers, law enforcement investigators, family advocates, counselors, and attorneys. The goal is to serve our children and provide families with the support they need. This position qualifies for Academic Appointment through the University at Buffalo

Position Requirements

- Serving as a physician for our child abuse and advocacy program
- Working with clinical care team to support the needs of the patient and family
- Supporting patients throughout the process and working with multidisciplinary team
- Serving as an expert witness in child abuse and neglect cases

The Package

- \$230,000-275,000 + SIGN ON BONUS
- Stipend for Fellows
- Relocation allowance
- Malpractice coverage (paid), Life, Health, AD&D, disability
- Paid vacation and administrative ("CME") leave
- CME funds (dues, fees, travel) allowance

Additional Details Include

- 1 CAP and 1 APP on the team
- Academic Appointment
- Reasonable Call
- Supportive environment
- Engaged Administration focused on your success

Qualified Candidates

- BE/BC in Pediatrics
- ACGME Accredited CAP Fellowship training
- Physician MD/DO licensed on date of hire in New York
